Good News. Great Joy.

Alpaca Shoebox!

Christmas is a magical time for sharing and fun,
But did you know not everyone has Christmas?
No, not everyone...

There are children all over the world who do not
have a present,
They do not have much and their lives are not
pleasant.

But fear not, there's a thing we can do to bring
these kids joy.
Grab a shoebox and fill it with toys!

Not just toys, but useful things too,
It is a shoebox after all, so why not pack shoes?

GOOD NEWS. GREAT JOY.

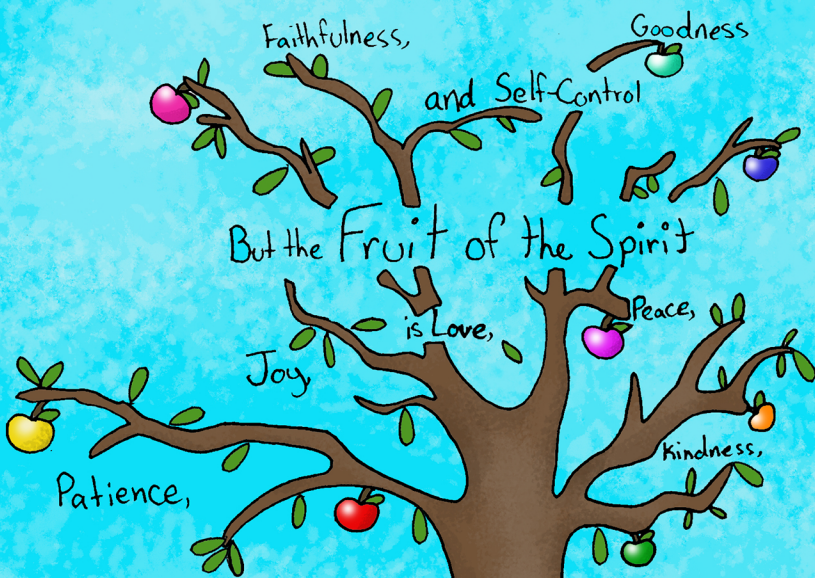

School Supplies

Something to
LOVE

Something to
Wear

Stuff your box tight and fill it with love,
Send it with prayers from the Father above.

There is hope and there's joy to be found in a toy,
But there's more than just that for these girls
and these boys.

They learn about Jesus, the greatest Gift of
them all.
The Redeemer and King for the big and the small.

They learn of the Gospel, of the Lord Jesus Christ,
The Savior who was born on that fateful night.

Shoebboxes go all over the globe to every tribe,
people and nation,
To the furthest of places and remote locations.

When the gift is received it is the most beautiful thing.

There is dancing and rejoicing and everyone sings.

To these children who did not have much,
The simplest gift can have the greatest of touch.

A small ball often for whom one had prayed,
Will appear in the box in the lap that it's laid.
